

List of needs and wants

Use the Need / Want (N/W) column and decide which items are needs or wants. Use the tick boxes to select which items you want the Green family to have each week. Now complete the budget column by writing the cost of all the things you have chosen and then adding up all the items to find out how much the Green Family will spend.

Item	Cost	Need/Want
<input checked="" type="checkbox"/> Food	£100	<input checked="" type="radio"/> N <input type="radio"/> W
<input type="checkbox"/> Ice skating	£	N / W
<input type="checkbox"/> Transport	£	N / W
<input type="checkbox"/> School lunches	£	N / W
<input type="checkbox"/> Housing costs	£	N / W
<input type="checkbox"/> Trip to the swimming pool	£	N / W
<input type="checkbox"/> TV Licence	£	N / W
<input type="checkbox"/> Trip to the cinema	£	N / W
<input type="checkbox"/> Clothes	£	N / W
<input type="checkbox"/> Treats for Saturday night	£	N / W
<input type="checkbox"/> Savings	£	N / W
<input type="checkbox"/> Netflix/TV package	£	N / W
<input type="checkbox"/> Telephone	£	N / W
